Dear Fellow-Laborers in Christ,

### Will You Come?

The Darwin area has become one of the 5 fastest growing areas in Australia. Since we have moved to Palmerston, 3 cities have almost been completely built. Their is a desperate need for more churches here in Darwin! Will you help bring the Gospel to this needy area?

### Prayer and Praises

1. Please be in prayer for the strength of the U.S. dollar. Since we have arrived in Australia, we have lost \$.10 on every dollar. This may not seem much; however, it equates to a loss of 10% of our support.
2. Please pray that we can find a suitable place to baptize. We have one that desires to be baptize; however, due to crocodiles, sharks, and box-jellyfish, we cannot baptize in the ocean or rivers.

## PIONEER DAYS

We are surrounded by a city and universities named after Charles Darwin. Even some of the churches deny creation, the virgin birth, and many other key doctrines. In the middle of all of these things, God continues to grow Gateway Baptist Church. Daily, we are pioneering new ground with the Gospel.

These are truly exciting days!

## ONWARD

TOWARDS THE FUTURE!

Seven months ago, we were told that Gateway would not last 6 months, have few visitors, or anyone that would join. God has answered those comments very clearly. In May, Gateway was 7 months old, has had 56 visitors, and 5 families have joined the church! We truly serve a God that can do the "impossible"!

## Mother-Daughter Tea

On May 14th, we had our first mother-daughter tea. We were excited to have 21 attending with 8 first time visitors. Many of the visitors inquired about the church and vacation Bible school. Please pray that this tea will be a stepping stone to reaching these ladies and their families with the Gospel!

For your prayers and financial support!
