Dear Fellow-Labourers in Christ,

Baptism

We are preparing for another baptism service on the 23rd of May. It will be a great day to see my son: Josiah baptized.

March - April
2010

We apologize for the delay in getting this letter out. My monitor died recently. It took over a month for the repair to diagnose the problem, the insurance to decide to replace it, and then actually give me a new monitor. I now have it back up and running. Now, I need to catch up on

Help is Coming!

From May to August, we are excited to host 4 young ladies either on mission's trips or mission's internships. We will be hosting Amy Marshall and Anna Spray from Ambassador Baptist College and Tina Waddell and Vanessa Michelson of Crown college.

During their time here, we will be doing an outreach booth in the markets, placing a Gospel invitation to our church into over 30,000 homes, and many other exciting things.

Each of these young ladies is raising their support to come help us. If anyone would like to assist them, please send me an email for more details at the email

The Fight Is On!

Every time that God begins to work in our church, Satan always attacks in anyway that he can! At the start of this year, there were some issues taking place in the church that needed to be dealt with. Unfortunately, the folks involved did not take the needed correction and suggestion well. As a result, they had to be asked to leave the church.

Also, we had 8 more people leave because they did not like preaching that challenged them to develop a walk with God more than just on Sundays. It is discouraging and heart-breaking to see people make these type of decisions!

Church Picnic

On April 2nd, we had a church picnic. It was a great day of fellowship with 22 present. We were excited to see 8 visitors attending. Please pray that they will come to church!

Recently, Melissa has had to have a few medical tests run. Please pray that the doctors can figure out why she has not been feeling well lately.

For your prayers and financial support!
