God opened the doors for us to begin an outreach at the local Palmerston markets. If we were willing to make balloon animals for the children, the markets offered to give us a free booth and pay for our balloon supply. We are also permitted to answer people's questions, invite them to church, and give out Gospel tracts. Since starting this ministry, we have made close to 3,000 balloon creations, given out close to 2,500 Gospel invitations to church, talked with about 20 people, and have 4 visitors to church as a result of this outreach!

During my mother's visit to Australia, we were excited that Josiah decided to follow the Lord's in believers baptism. He accepted Christ as His Saviour about 2 years ago but finally understood what baptism was all about! It was an exciting day in our family and church family. We were glad that my mother was here to share in this special event!

For your prayers and financial support!
