Dear Fellow-Labourers in Christ,

November &  
December  
2010

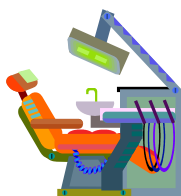

We wish everyone a great Christmas. Enclosed in this letter should be a Christmas photo card with an up to date family photograph.

The 1st of November marked our 7th year here in Australia. It is amazing what God has done in that time. Please continue to pray as we seek to sponsor the Baur family into work with our church.

When it rains, it pours!

Recently, I had a crown from a front to snap while I was eating. The dentist was able to place a new post and crown. About a week later, one of Melissa's teeth became infected. She had to have a root canal.

Together, this cost around \$4,000.00. We are thankful that the dental insurance will cover close to half of this unplanned expense.

On the 31st of October, Gateway Baptist Church celebrated its 6th anniversary. We had 18 attending with 2 visitors. It was a great time of fellowship, singing, preaching, food, and games. It is our prayer that the best days of Gateway still are ahead of us.

Thank you for making Gateway possible!

Housing Update

Once again, the landlord has changed his mind. Rather than giving us 6 months to find a house, he has given us until the 7th of January to move out of our home.

We have now looked at 13 houses. Recently, we thought we had found a place to live; however, hours before we signed a lease, that owner decided he would not lower the rent and install 1 air-conditioner like he has verbally agreed to do. Please pray that we can find a suitable house that is reasonable priced before the 7th of January.

We have set up an email account for the purpose of establishing an email prayer letter. If you would like us to email you a copy of the prayer letter in place of mailing it, please send me an email at [marshallupdates@gmail.com](mailto:marshallupdates@gmail.com). This email will ONLY be used to send out prayer letters. Please continue sending all personal emails to the address in the letterhead.

For your prayers and financial support!
