Dear Fellow-Labourers in Christ,

September &
October
2010

Outreach

Our goal for 2010 was to get the Gospel into every home in Darwin, the Northern Suburbs, and Palmerston. So far, we have been able to get the Gospel into 35,000 of the 37,638 homes! In addition to this, we have been able to give out 10,000 balloon animals and about 8,000 Invitations to church to folks at the Palmerston markets! Please pray with us that through this sowing and watering that we would see much fruit in the coming days!

I just realized that I had not sent our July & August prayer letter to the person in the US who mails them out for us. I apologize for this oversight and will get the prayer letters back on track and going out!

Great Preaching & Fellowship

From the 27th of September to the 1st of October, I was able to take Cody with me to the National Baptist Fellowship. It was a great fellowship of Australian Independent Baptist pastors & churches. Over all, there were about 80 churches represented there. While I was away, someone broke into our car and damaged and stole some Sunday school material and items. Please pray that we can get these replaced quickly.

Recently, the Bauer family who are also with BIMF contacted us and requested that our church sponsor them into Australia. This has been an answer to a prayer for the last 6 years!

Please prayer that the changes in the wording and philosophy of the Australian Immigration department will not hinder this process. It will be a great blessing to have this family join our ministry team here in Darwin. There is so much more that could be done with more labourers! Now that we have some willing to come and already have their support raised, please prayer with us fervently for a quick & successful sponsorship and visa process.

Here Today...Gone Tomorrow

After renting the same house for 6 years, we have recently been informed that our landlord is selling the house. He plans to sell it in the next 6 months. Please pray that we can find suitable housing. Currently, there is a housing shortage. The average rent is \$600-\$700/ WEEK. The cheapest housing we can find right now is \$550/WEEK; however, this would increase our rent by \$100/WEEK!

For your prayers and financial support!
