Dear Fellow-Labourers in Christ,

Housing Update

We are very thankful that we were able to find a new house to rent. Unfortunately, it caused our rent to increase by \$100/week to \$550/week. On the brighter side, this is still about \$100/week cheaper than what all similar houses are renting for in our area.

Since the US dollar is now equal to the Australian dollar, this put a bit more strain on the already tight budget. We are glad that our Heavenly Father knows our needs and has the resources to provide!

Please pray for him as he know has to find a new car soon.

Melissa and I want to thank everyone who sent us Christmas presents and special offerings. We greatly appreciated them.

On the 31st of December, Cody, a young man in our church, was in a car accident that totalled his car. Thankfully, he only bruised his knee and no one else was hurt.

Life is never simple!

On the day that we got moved into our new house, the children where in the backyard riding bikes. Katie learned how to turn without stopping....well, sort of! She went into the turn too fast and fell off her bike. She ended up breaking her elbow and then having to have it surgically wired back together.

If only, that was the end! The day she got home from her surgery, she introduced her head to the ceiling fan upon her sister's bunk bed. This lead to 3 stitches. Please pray that her elbow heals quickly with no complications!

In 2010, we were able to place the Gospel into over 35,000 homes and directly into the hands of roughly 8,000 people. This gave us an average of over 2,900 homes receiving the Gospel each month. Previously, our average was 1,000 per month. We pray that this increase in sowing and watering of the seed will result in a harvest of people being saved and added to the church!

For your prayers and financial support!
