Market Outreach

On the 29th of April, we start our Palmerston market outreach. We will be giving out balloon creations and Gospel invitations to church.

We will be able to do this ministry for the 26 weeks of the Dry Season. Please pray that will be able to reach families with the Gospel through this open door.

Open Doors

Recently, I was requested by a family from Iran to visit them in the immigration detention centre to discuss with them the differences between Christianity and Islam. I had the opportunity to share with them how Jesus could be the Son of God, how Jesus was God, and the more than 100 different errors in the Koran. The family of 5 listened intently and asked many questions. I closed the time with sharing with them the Gospel and leaving them with information both in English and Farsi. They have requested a Bible in Farsi which I am sourcing to bring to them. Please pray for the this family and for wisdom in future meetings as I continue to meet with them and answer their many questions from the Bible. It never ceases to amaze me the doors God opens so that we can share the Gospel with the world at our doorstep!

Health Updates

Katie's elbow has completely recovered. She is back to riding bikes, climbing walls, and all other forms of play that you can imagine.

Recently, Melissa was diagnosed with a chronic pain syndrome. Please pray that not only the treatments will bring her relief but also that it will go away as quickly as it came.

I must admit that it is great that God knows and works things out far before we even realise the need. God sent Rachel to us for 6 months in February and will shortly be sending April to us for 2-3 months. The help could not have come at a more needed time! We praise God for supplying before we even realized the need!

Over the last 6 months, we have been able to place the Gospel into over 44,000 homes. As a result, this month, we have seen 10 visitors to church!

For your prayers and financial support!
