## Missionaries to Australia

**Dear Fellow-Labourers in Christ,**

**July & August**  
**2011**

The Bauer family has now provided Immigration with their medical reports and FBI clearance report. We are now waiting Please pray that they are granted their permanent visas soon!

Crocket Family

From July 26th until August 1st, we had the Crocket family with us. Gateway has supported them as missionaries to Romania for the last 5 years.

It was great to hear what God is doing there in Romania through their family. They were such a blessing to our family and church.

I am always encouraged to see God calling and sending out missionaries from every country and culture to spread the Gospel around the World!

Since late April, we have gone through roughly 3,700 balloons and 1,800 gospel invitations to church. We have had 6 visitors to church from this ministry. God has also used this to open many doors for witnessing. Please continue to pray for the last 8 weeks of the market season.

Mission's Banquet

From August 22-26, every home and post office box in Katherine, Tindal, & Mataranka received a Gospel invitation to the Katherine Bible Study. In our last study, we had 7 from Katherine present with 1 of them being a visitor. Please pray for this outreach!

Katherine Bible Study

On the 30th of July, we were invited to do balloon animals at the local Tamil Community gathering. Over 80% of the people there were Hindu. We were able to give out a number of balloon animals and Gospel invitations to church. Please continue to pray that this door will remain open!

We wanted to thank Rachel Werner and April Rohland for all their help while they were with us. During Melissa's surgery and recovery, they were both such a blessing and help to our family and church!

For your prayers and financial support!

His For Australia,  
Joe, Melissa, Breanna,  
Josiah, and Kaitlyn
