Missionaries to Australia

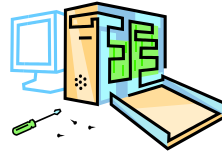

Dear Fellow-Labourers in Christ,

September, October, &
November
2011

We praise the Lord that the Bauer's permanent residents visas were granted. They will ARRIVE on the 23rd of November. Please pray for them as they travel and adjust to life and ministry in Australia.

Computer Issues

We apologize for the delay in getting this prayer letter out. Our computer had to go into the shop twice in the last couple of months to be repaired. After having the mother board, hard drive, memory, and video card replaced, it now appears to be working again.

Now that it is running right, we will have our prayer letters back on track. Thank you for your patience in this matter.

7 Years of Gateway

On the 31st of October, Gateway celebrated our 7th anniversary. Our speaker was Pastor Tom Gonderman of Southland Baptist Church in Sydney.

Piñata fun!

It was a great day of remembering what God has done over the years. All the children enjoyed the games, and Caleb, who was baking for the first time ever, won the bake-off.

During the evening service, there was a special time of testimonies, singing, and another challenging message. It is exciting to think that the best is yet to come!

Entries in the Men's Bake-off

Please pray for our Christmas outreach. We will be placing a special invitation to our Christmas day service into every home in Palmerston and a quarter page editorial add in the local newspaper. It is great to see excitement over our Christmas blitz project. Our church is attempting great things for God and expecting great things from God.
